06/2018 - 08/2018

● 3 months - Individual

Using Java

- Design UX/UI and implement the solution
- Generate firebase database and implement back-end services for the Freaking Math. Published Freaking Math app on CH Play on June 22, 2019

HONORS & AWARDS

09/2019

Awarded Talent Scholarship by mgm Technology Company

10/2019

Top 10 product in Devfest of Google Developer Group Mien Trung 2019

ACTIVITIES

- I am keen on reading books, Medium, and Quora in my free time. My favourites books are: Clean Code, Head First Design Pattern, Code complete
 - I also participate in a lot of activities about technology at Da Nang: Devfest 2017-2018, Devday, Google I/O
 - In my free time, I also work on some pet projects. They can be found at my Github profile <https://github.com/ThuyenPV>
-
